38/39 Market Place Richmond North Yorkshire DL10 4QL

Cross View Tea Rooms: was established in 1988, originally taking over 38 Market Place previously used as the United Bus Company offices and café.

In 1994 the adjoining 39 Market Place was taken on almost doubling the size of the premises. The current owner, David Rees took over the business in 2016 and continues to develop the business with the help of his enthusiastic staff.

The café prides itself in producing a high standard of food prepared freshly on the premises using locally sourced produce (see below). By working closely with local suppliers the café is able to produce fresh seasonal dishes and offer a wide menu range from traditional through to modern tastes.

As dishes are prepared freshly we offer a very flexible menu system and can cater for most needs and size of party, although at busy times the customers patience is appreciated. Larger parties may be catered for by prior arrangement and an option of evening opening is available.

May we take this opportunity to thank you for your custom and hope that you enjoy your time spent with us today.
